The car felt good that day

I didnt know where I was going

But it felt good to be strange

A five and a pocket full of silver

I paid the lady no change

And then it started to piss down

Started driving again

And then I looked up and looked in the

Mirror behind me

And then I looked up and looked in the

Mirror behind me

A man round forty in the back seat

Must have stepped in When I was er

So whys he sat there just waiting?

Likely to smash my face in

He had a bag full of money

Curiosity is over

He stepped down from the car

He pulled a gun from his jacket
