Lip stick has a way of leaving more than just a mark on my sheets coloring my senses

1st Verse

fff

f fff

f fff

cherry red at least for this week kisses under starry night skies

f fff

f fff

f fff

f fff

talked about in song we play along so bitter sweet by our design

f fff

f fff

f fff

f

im sick and tired of writing songs about---- you this is

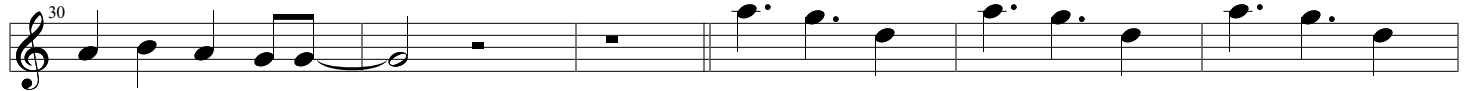

fff

ff fff

it this is the end take off your make up and put down the

1st Chorus

f

fff

cam era and choke on the drama that makes me want t - t - t - t

ff fff

tear up the pictures the pages you saved creating a life of

trance and make believe

2nd Verse

no place in my heart for a criminal like you to dwell in this endeavor make

it last forever----- "I'm just delerious?" You cant be

f fff

f fff f fff

f

fff

serious

youre so

infamous

for

leaving me a mess-----

take off your

2nd Chorus

f

fff

make up

and

put down the

camera

and

choke on the

drama

that

makes me

ff fff

want to

tear up the

pictures

the

pages

you

saved

creating

a

life of

trance and

make believe

2nd Bridge

She gets what she wants

she

breaks what she gets

get

out while you can

or she'll

ff

fff

ff

fff

tear you to pieces

(repeats---->)

ff

116

mp

Take off your make up and put down the camera and

Final Chorus

120

fff *ff fff*

choke on the drama that makes me want to tear up the pictures the

125

pages you saved creating a life of trance and make believe----

131

carry on home ill be waiting miles and miles away

Outro

137

f

leaving you to be for ever seven teen cleaning up the messes

144

fff

that you've made
