

Drown In You

Daughtry
Batman: Arkham City

Dropped D
⑥=D

♩ = 88

There's a place where you can light a fire and watch it burn

Intro **Verse**

S-Gt

TAB

Lay it down and lose it all It's taken me so far beyond

the point of no return Gave all that I had when hope

Is this real or is it just another crazy dream That someday soon will fade away

Feels just like I'm under water and can barely breathe Dying in the bed that I have made
