the ol' familiar sting                      Try to kill it all away

TAB

but I remember everything                      What have I become?

TAB

My sweetest friend                      Everyone I know                      goes away in the end

TAB

And you could have it all                      my empire of dirt

TAB

I will let you down                      I will make you                      hurt
