

# Straight Through The Heart

Ronnie James Dio

Standard tuning

♩ = 94

S-Gt

Hanging from the cobwebs in your mind

Verse 1

it looks like a

long long way to fall

No one ever told me life was kind

I guess I

never heard it

I never heard it all

Living in a world of make believe

I can

hide behind what's real

20

But

wearing your emotions on your sleeves

TAB

and they

23

all know what you feel

TAB

And here it comes again

26

Chorus

straight through the heart

straight through the heart

TAB

Oh,

30

never tell a secret with your eyes

Verse 2

TAB

It's the

33

eyes that let you down

TAB

tell a little truth with many lies

36

It's the

only way I found

TAB

Oh here it comes again straight through the heart

**Chorus**

T  
A  
B

straight through the heart Shout to the wind
