We were am mistake right from the very very start It is better now that I'm alone and were apart
Where were you going when I called you on your mobile? I'm glad you were slowing when I looked and
You said you want me back and I let you in the door 5 minutes later you were face down

What were you thinking when you said you wouldn't go out? What were you thinking when you said things wouldn't
So tell me why were we together any way you've left the house and from there on you will stay You
gave you a smile Why are you turning a lingo come to my home? You must be learning to forgive
on the floor I said this day should last forever and we should get a new car Buy a new

work out? Who were you fucking when you said you would get married? Who were you sucking when you said you wanted a dog and why were you laughing when you said you
took the car and stole my dog You drove around the corner and she hit a log There goes my car and now my dog is dead It sucks that you survived
and forget dog and drive very very far. So you want to get back together with me I can do You ready in my home I'm fall back in love with you You

wanted a break And why were you tapping when you said we were am mistake?
with a cushion on the head Your intensive car You'll be out next week I'll give
want to have sex We know what to do I took the nap And how you you stuff the May the day we can speak You going for good And the rest thing
I've got no picture of you
