There we were                      Now                      here we are                      All this confusion

**Verse 1**

T  
A  
B

Nothing's the same to me                      There we were                      Now                      here we are                      All this confusion

T  
A  
B

Nothing's the same to me                      I can't tell you the way                      I feel because the                      way I feel is oh

**Chorus 1**

T  
A  
B

so new to me                      I can't tell you the way                      I feel because the                      way I feel is oh

32

B

What I heard                      is                      not what I hear                      I can                      see the signs                      But they're

**Verse 2**

44

T  
A  
B

not very clear                      What I heard                      is                      not what I hear                      I can                      see the signs                      But they're

48

T  
A  
B

not very clear                      So                      I can't tell you the way                      I feel because the                      way I feel is oh

**Chorus 2**

52

T  
A  
B

so new to me I can't tell you the way I feel because the way I feel is oh

56
