Maybe I act on confused behaviour Maybe waves crash like semi-trailers

11

Maybe I spend my off-time without you It seems like we

15

need our own space

And all this time I've

wasted away

To not feel good un

less you stay, stay, stay

And all this time I've

chased you away

Simply to

catch back up with

Your solitude is

welcome, welcome

Your attitude is

welcome, welcome

Your solitude is

welcome, welcome

Your attitude is

welcome

All I see is red lights behind me Maybe this isn't what you wanted, baby
